

Here is the “proof that I still need to gather”

1) Environmental Science & Engineering Department Website

Live deployment URL

GitHub repository

Short project summary

Key features list

2) Personal Portfolio

- Final homepage screenshot
- Responsive screenshots
- Live website URL
- GitHub repository
- Resume PDF

3) Internship Project (Capstone project)

- Final screenshots (project still in progress)
- Live demo (if permitted)
- Repository (if public)
